WHERE INSPIRING EXCELLENCE IS OUR STANDARD AND STUDENT ACHIEVEMENT IS THE RESULT

---

April 14, 2021

Dear Partner in Education,

My name is Robert DiMaulo, Jr, and I am writing on behalf of the 9/11 Memorial Committee at Timber Creek Regional High School. Timber Creek will be constructing a memorial to commemorate the lives lost and heroism displayed on September 11, 2001. Our committee's vision of the memorial will ensure that future generations of Timber Creek students will understand the unity and service that brought us together as a result of the attacks of 9/11. It will serve as a place for our staff and students to learn, pause, reflect and gain a sense of history. The 9/11 Memorial will also function as a venue for our annual 9/11 Ceremony.

Our committee is asking for your donation to assist us in fulfilling our vision and bringing this project to life. Please consider making a monetary donation or contribution of materials needed for our project. Upon receipt of your contribution, you will be invited to our annual 9/11 Ceremony which will also be the unveiling of our memorial in September of 2021. Our committee greatly appreciates any contribution you can make to assist us in building our memorial. A check with your donation can be mailed to Timber Creek High School History Club, 501 Jarvis Road Erial, NJ 08081. Please make checks payable to Timber Creek History Club.

Please feel free to contact us with any questions at [tc911memorial@bhprsd.org](mailto:tc911memorial@bhprsd.org) or at 856-232-9703 ext.6018.

With sincere gratitude and appreciation,

Robert DiMaulo, Jr.  
TC 9/11 Memorial Committee
