Re: Legal Notification
NJDEP Flood Hazard Area (FHA) Individual Permit
and Freshwater Wetlands General Permit 1
Squaw Brook Bank Stabilization
Borough of North Haledon
Passaic County, New Jersey
Our File No. NH-806

To Whom It May Concern:

In accordance with N.J.A.C. 7:7, this letter is to provide you with legal notification that Boswell Engineering (Boswell), on behalf of the Borough of North Haledon, is applying to the New Jersey Department of Environmental Protection (NJDEP) Land Use Resource Protection Program for a Flood Hazard Area (FHA) Individual Permit and Freshwater Wetlands General Permit 1 for the development shown on the enclosed plan(s).

A brief description of the proposed project follows:

The project proposes to reconstruct 42± L.F. of retaining wall, sidewalk and guiderail that collapsed due to Hurricane Ida along Squaw Brook Road.

The permit applications are being submitted to the State of New Jersey Department of Environmental Protection (Department) for the development shown on the enclosed plan. The Department regulates construction within flood hazard areas and riparian zones adjacent to certain waters.

The complete permit application package can be reviewed at either the municipal clerk's office in the municipality in which the site subject to the application is located, or by appointment at the Department's Trenton Office. The Department of Environmental Protection welcomes comments and any information that you may provide concerning the proposed development and site. Please submit your written comments within 15 calendar days of receiving this letter to:
